was Herbert Blumer, who identified four stages of social movementsâ€™ lifecycles. The four stages he described were: â€œsocial ferment,â€• â€œpopular excitement,â€• â€œformalization,â€• and â€œinstitutionalizationâ€• (De la Porta & Diani 2006, p.150). RESEARCH STARTERS - EBSCO Information Services - A social movement is a type of group action.Social movements can be defined as "organizational structures and strategies that may empower oppressed populations to mount effective challenges and resist the more powerful and advantaged elites". They are large, sometimes informal, groupings of individuals or organizations which focus on specific political or social issues. Social movement - Wikipedia -
